### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant's attorney, **Mr. Thomas Epting** on March 18, 2005.

The application has been amended as follows:

In the Claims:

**Cancel** claims 1-10 and 28

Claim 11, page 7, line 12, delete---**second edge of said jacket**---, insert---**free end of said flange**---, page 8, line 26, change "end" to "edge",

Claim 14, page 9, line 25, change "end" to "edge",

Claim 23, page 13, line 25, change "end" to "edge",

Claim 29, page 17, line 28, change "end" to "edge".

2. The following is an examiner's statement of reasons for allowance: After a review of the prior art of record and Applicant's arguments, it is believed that the present invention is novel and non-obvious wherein no reference discloses a jacket having inner and outer sides with insulation on the inner side and the jacket extending

beyond the insulation defining a flange and an elongated strip of material integral with and extending substantially the length of the flange, wherein the end of the flange is configured to move independently of the end of the strip of material, the strip of material having an adhesive portion and a removable release member covering the adhesive so that when the adhesive portion is exposed the strip of material is configured to adhere to the outer side of the flange.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Patrick F. Brinson** whose telephone number is (571) 272-4897. The examiner can normally be reached on M-F 7:30-3:00.
